Airbus Approval for the Management and Cascade of Design Organisation Authority & Signatory

Further to the evaluation of the EADS RST Rostock System-Technik GmbH signature delegation process "DOSA-RST-MP-0001 - Management of DOA Signatories and Authorities Delegated by Airbus", Airbus can confirm that:

EADS RST Rostock System-Technik GmbH
Friedrich-Barnewitz-Straße 9
18119 Rostock
Germany

ARP Identification No.: 193264

ARP Approval No.: 228448

Are approved as satisfying the Airbus Supplier requirements of AP1020, for the management and cascade of Design Organisation signatories, under the responsibility of **Andreas Hildebrandt, Head of Engineering**.

This Approval covers the management and cascade of Design Organisation Technical Signatory privileges to individuals operating at the above mentioned **EADS RST Rostock System-Technik GmbH** site, in accordance with local employment law, where required to do so via an Airbus purchase order, contract or agreement with Airbus.

Authority and signatories are only permitted to be managed for those Airbus Design Organisation Supplier Approval Scopes defined in this approval letter and the Document Type level lists (DTLL) detailed below:

Design Organisation Supplier Approval Scopes

- **C:** Design of Electrical Circuits.
- **D:** Design of Electrical Systems Installation.

Scope of Technical Delegation Reference Off Site DTLL (FM0701209),

DTLL References at the latest issue:

DTLL Ref #	Discipline	Programme	Work Package(s)
LS1400138	Design	SA-A318/A319/A320/A321	Electric Equipment New and Continuing Development Integration and Installation for VUs/Ves
		LR-A330/340	

The Approval is dependent on your continued compliance with Airbus Supplier requirements / supplementary instructions.

Airbus shall be advised of any change to the assessed design organisation that effects the organisation of technical authority delegation cascade, including:

- Changes to the individual named as responsible for the application of this approval.
- Technical authority delegation cascade including changes to individual's authority and signature rights in accordance with AP1020.2 section 2.1.
- Any subsequent subcontracting activity that includes a delegation of design organisation technical authority which requires an Airbus acceptance.

Airbus approval of any changes to this delegation shall be done through:

- Amendment to this approval letter.
- Approval of DOS data base update if related to new signatory awards within approved design organisations.

This letter, reference **ON1400131_v1** "Airbus Approval for the Management and Cascade of Design Authority and Signatory" is awarded in addition to Cabin & Cargo Technical Delegation letter reference: **ON1301173**.

This approval may be withdrawn at any time at the discretion of Airbus.

Yours faithfully,

Yours faithfully,

Date: 17.02.2014
